

L. Ellsmere +
C. Kemble Dinner

10007
Ampeldene Jan³ 43

My dear Sir I have little doubt
that I can recall from memory
the same notes if I can find them
in London what I said at our
dinner will especially as the
types were not published then, but
for this I must get an idle
half hour which at this moment
I hardly have at my disposal
Very respectfully

Agitation

J. P. Collier Esq.
